A balanced blend of quality ingredients providing complete nutrition and great taste.

Individual dietary needs of your cat vary based on activity, weight, age, and climate conditions. Adjust the amount fed to keep your cat in excellent health and condition.

Always provide a bowl of fresh clean water for your cat at all times.

Consult your veterinarian if you observe a change in your cat's food consumption or health. Tradition Optimal Health is formulated to meet the nutritional level established by the AAFCO cat food nutrient properties for maintenance of adult cats.

Precaution

Made in a facility that does not store or use feed medications.
